St. Louis, Missouri 63117

314/645-4704 • 314/645-7792

Mike Collins

Owner

Website: bigbendautocenter.com

Big Bend Auto Center was established in October of 1980. Our center is a full-service facility including towing, inspections, and domestic/foreign repairs. Each of our mechanics is ASE certified with over 35 years of experience. We are proud to have the following credentials to show our customers that Big Bend Auto Center is a professional and accomplished repair facility:

- AAA Approved Auto Repair Center
- ASE Certified Technicians
- Tech Net Center
- Missouri Emission Qualified Repair Center
- GE Fleet Service Facility*
- Enterprise Fleet Service Facility*
- Automotive Resources International (ARI) Facility*
- Accept Extended Warranty Service Contracts

*(*If your Fleet Service is not listed, we would be willing to try and get qualified.)*

We pride ourselves on being a self-contained part of our community. Our business is “*personal*” – customers are cared for by me or one of my mechanics, who have been at this location from the beginning. I personally stand behind every job. Our mechanics are not commission-based, which gives our customers reassurance of fair pricing.

Business hours are Monday – Friday, 7:00 a.m. until 5:30 p.m. Towing is available.

If you have any questions, please feel free to call.

Thank you.
